II. Content of Information Disclosure and Explanation

Tan Cang offshore services joint stock company provides an explanation regarding the difference in net profit after tax on the consolidated financial statements for the first 6 months of 2025, which has changed by 10% or more compared to the same period in the previous year, as follows:

- In 2025, the Profit After Tax on the Consolidated Financial Statements of TOS was higher compared to the same period last year primarily due to the following reasons:

+ The parent company has successfully deployed most of the offshore service equipment in both domestic and regional markets, while also increasing the rental prices compared to the same period last year;

+ The subsidiaries and associates maintained strong profitability relative to the same period of the previous year;

+ Financial income increased significantly due to higher interest income from deposits and loans compared with the same period last year.

+ Other income was higher because the Company liquidated the vessel TC Royal during the period.

We affirm that the disclosed information above is true and take full legal responsibility for the disclosed content.

Sincerely.
