II. Content of Information Disclosure and Explanation

Tan Cang Offshore Services Joint Stock Company provides an explanation regarding the difference in net profit after tax on the consolidated financial statements for Q3 2026, which has changed by 10% or more compared to the same period in the previous year, as follows:

- In Q3 2026, the profit after tax on TOS's consolidated financial statements was lower compared to the same period last year primarily due to the following reasons:

+ Financial expenses increased year-over-year due to rising interest rates and the Company's expanded investment in fixed assets to enhance operational capacity;

+ Furthermore, continuous fluctuations in the global political landscape have impacted the energy market and international shipping operations, leading to an increase in the cost of goods sold compared to the same period last year.

We affirm that the disclosed information above is true and take full legal responsibility for the disclosed content.

Sincerely.
